1895 Rambler,
\$75.00

Trusting that you may be in-
terested in cycling, we take the
liberty of stating to you a few
facts about our wheels:

We need not trouble you with
needless description of the World
Famed "RAMBLER" Bicycle,
which by its easy running, ap-
pearance, strength and lasting
qualities has won for the makers
a name world renowned.

The "RAMBLERS" are equi-
ped with the great G. & J. Detach-
able Tire, which since its intro-
duction to Honolulu has proved,
by the numbers in use, the most
successful and necessary adjust-
ment to a bicycle.

We take great pleasure in re-
commending to our friends the
"RAMBLER" and trust that in
furnishing one to any person they
will never have occasion to regret.

Our terms are such that a bicy-
cle is no longer a luxury but a
necessity in actual saving of time
and money. We would ask you
to but call and get our figures.

1896 Rambler.
\$95.00

As is customary nearing the
close of each year, the makers in
order to get ready for the ensuing
year, offer the present 1896
wheels at reduced prices. We are
now prepared to give our cus-
tomers the benefit of these reduc-
tions as long as our stock holds
out. For those wishing an up to
date wheel of the highest grade,
one which we can guarantee to
the fullest extent, we would offer
the "RAMBLER." As to im-
provements for the coming season
we would say we anticipate none.
Such changes which may be made
will, as has been the past two
years, be changes immaterial to
the improvement of the wheel in
general.

Kindly give this some thought
or call your friends' attention to it
and oblige.

Yours truly,

E. O. Hall & Son
LIMITED.
